## **A Dubious Legacy - Wikipedia**

A dubious legacy Fantastically written passages, and biting insight into human thought and behaviour. It feels like Noel Coward in novel form. However, I'm not sure I care very much for the characters... A little contrived in places. Quality writing, and sharp social observations that are caustic and amusing.

Henry Tillotson, a generous, genial man who inherited his father's philanthropic attitude along with his beautiful house, rescues Margaret from a disastrous marriage in Egypt and brings her home to the West Country as his new wife. On the threshold she gives him a black eye and retires straight to bed where she remains, apart from the occasional malevolent outburst, for the rest of her life ...
