Instructor's Guide for Virtual Astronomy Laboratories

Lab 4. Print. Background. The discovery of planets outside the solar system was a major turning point in the history of astronomy because it revealed that not all systems resemble the system we live in. In this lab, you'll look at data on some known extrasolar planets using publicly-available data to draw conclusions about the nature of ...

Astronomy Through Practical Investigations Lab Answers 9

We were frustrated by the lack of suitable materials for teaching the lab component of the course. We decided that we could write more appropriate materials for our students rather than wait for the large publishers to produce them. With that motivation we created Astronomy Through Practical Investigations (ATPI). We tried to get publishers to ...
