This article, with illustrative music videos, traces the history of the practice from 16 th and 17 th century broadside ballads back to medieval carols, to songs with both secular and religious sets of words, and to the iconoclastic musical comedy of the goliards. Read more

UCSB English Broadside Ballad Archive

One way of circumventing this narrow definition has been to label ballads as of different kinds: the traditional ballad, the broadside ballad (the focus of this archive), and the literary ballad. The “traditional” ballad is generally defined as a ballad that has passed orally from generation to generation.
