E tu is the Maori word for 'stand up'. Our aim is to stand up for the environment by raising awareness of the harmful impact festival waste and textiles in landfill has on our environment.. Did you know... - Many fabrics that go to the landfill, cannot decompose due to the amount of chemicals used in their production.

Calculus I Etu

Calculus I. Here are the notes for my Calculus I course that I teach here at Lamar University. Despite the fact that these are my "class notes", they should be accessible to anyone wanting to learn Calculus I or needing a refresher in some of the early topics in calculus.

2017 Fall Course Syllabi - Washington State University

Calculus One. Calculus is about the very large, the very small, and how things change—the surprise is that something seemingly so abstract ends up explaining the real world. This course is a first and friendly introduction to calculus, suitable for someone who has never seen the subject before, or for someone who has seen some calculus but ...
