My AC went out about a month ago, and obviously I'm looking to fix it. I got a fuse box diagram for my GTI, but looking at my actual fusebox, it differs slightly.... There's the 'bottom' row of relays, but there seems to be no 'upper' relay section. All I see is a smaller row of misc fuses..Since I can't find the corresponding relay from the diagram, in the car, I'd like someone to show me ...
