Development []. The Halo novel project was initiated with the intent of establishing an "expanded universe" for future content. Contrary to popular belief, the project was overseen by Microsoft Game Studios Franchise Development Group and not by Bungie Studios (though they were given a significant degree of creative control). The relationship between Bungie and Microsoft was somewhat rocky at ...

I purchased this Encyclopedia for my nephew as a gift and he loves it. His favorite gaming series is the Halo series. The book tells you anything and everything that you want to know about the Halo Universe. There are a lot of works of concept art in the book, along with in-game screen shots. This is a must have for any Halo fan out there.
