This social cohesion arises spontaneously in tribes and other small kinship groups; it can be intensified and enlarged by a religious ideology. Ibn Khaldun's analysis looks at how this cohesion carries groups to power but contains within itself the seeds - psychological, sociological, economic, political - of the group's downfall, to be replaced by a new group, dynasty or empire bound by a stronger (or at least younger and more vigorous) cohesion.

Ibn Khaldun - Infogalactic: the planetary knowledge core

Overview. Ibn Khaldun describes 'asabiyya as the bond of cohesion among humans in a group-forming community.The bond exists at any level of civilization, from nomadic society to states and empires. ' Asabiyyah is strongest in the nomadic phase, and decreases as civilization advances. As this declines, another more compelling 'asabiyyah may take its place; thus, civilizations rise and fall ...

Ibn Khaldun Achievements and Profile - ThoughtCo

In Islam, says Ibn Khaldun, the person in charge of religious affairs is concerned with "power politics," because Islam is "under obligation to gain power over other nations" (Muqaddimah, trans. Rosenthal, p. 183). Those are not words of openness, tolerance, and democracy. And they are still widely held in the Muslim world.
