Step #1: Familiarize  
With Test Structure.

When something is not fully known, the first step is to research and study it. Smart preparations are based on in-depth past papers analysis. Cambridge IELTS Student`s Books are the good reference in this context, full with past IELTS exam questions.

IELTS Made Easy Step-by-step Guide to Writing A Task 1. How to use the book: It is recommended that you work through the book unit by unit as each unit builds up different skills and they are then built further in the next unit. You can, though, look at specific units if you need particular help in one area.
