Why do we say: It's Raining Cats and Dogs?

Means it is raining VERY hard. A literal explanation for raining cats and dogs is that during heavy rains in 17-century England some city streets became raging rivers of filth carrying many dead cats and dogs. The first printed use of the phrase does date to the 17th century, when English playwright Richard Brome wrote in *The City Witt* (1652): "It shall rain dogs and polecats."

Another suggestion is that 'raining cats and dogs' comes from a version of the French word 'catadoupe', meaning waterfall. Again, no evidence. If the phrase were just 'raining cats', or even if there also existed a French word 'dogadoupe', we might be going somewhere with this one. As there isn't, let's pass this by.

Its raining cats and dogs

The English idiom "it is raining cats and dogs", used to describe particularly heavy rain, is of unknown etymology and is not necessarily related to the raining animals phenomenon. The phrase (with "polecats" instead of "cats") has been used at least since the 17th century.
