Nutritional Ecology Of The Ruminant Comstock Book [PDF]

He clearly and logically lays out fundamental concepts of ruminant (and often non-ruminant) nutrition, forage composition, fundamentals of metabolism, intake, and key aspects of the nutritional ecology of domestic and wild ruminants.

(PDF) The Nutritional Ecology of African Ruminants: A ...

Ruminants are, without exception, obligate herbivores subsisting as they do on a diet composed entirely of plant material. However, plant material is a diverse resource and within the Ruminantia there is a range of feeding niches with different herbivore classes focussing their foraging effort on different vegetation types (Hofmann 1989).
