DA and XML-DA OPC client, including basic trend charts. Now supports DA 3 and XML-DA 1.01. Free for non-commercial use. Kassl. OPC DA Client. DA. OPC DA 2.0 (and 1.0) browser and client utilities. Data Access Client subscribes to the first 100 server tags it finds and continuously displays updates of their values.

Free OPC Clients

When configured as a client, the OPC UA driver will connect to the configured OPC UA servers and attempt to read the requested data points. This data is then mapped to any of the other protocols loaded in the Gateway. When the Gateway is configured as a server, the OPC UA driver creates an endpoint that other OPC UA clients can connect to.
