The problem occurs whenever I pull any non-pdf file over into Acrobat to try to combine files. I am using Acrobat Pro 11.0.18. I have Windows 7 and Office 2013. It was working fine before I got the new computer and upgraded Office. We've gone through the fix process several times and reinstalled Acrobat completely. It's still not working correctly.

About Us. Pete has been working with Pacific Mountain Guides for over 8 years. He is a great guided and has hunted all over Alaska. As local Valdez resident he spends his time where we hunt.

Pacific Alpine Guides - Home | Facebook

Last week, I was on the Haute Route ski tour, with a team from Alpine Guides, led by Gav Pike. A combination of loads of snowfall, high avalanche risk, gale force winds and poor visibility prevented us from completing two of the five sections of the route. However, on the days we were unable to follow the planned route, Gav used his expert judgement to provide some superb alternatives ...
