Ideology And Utopia: An Introduction to the Sociology of ...
While this book was hailed as ground-breaking in the sociology of knowledge, I found it very general in its ideas and mostly as applied to academic knowledge. The concepts of ideology as socially formed thought systems that support particular social structures and utopia as a conception of an alternative social structure I do find useful.

Sociology of Knowledge: What you need to know
Karl Mannheim was an influential German sociologist during the first half of the 20th century. He is a key figure in classical sociology, as well as one of the founders of the sociology of knowledge. Mannheim is best known for his book Ideology and Utopia, in which he distinguishes between partial and total ideologies, the latter representing comprehensive worldviews distinctive to particular social groups, and also between ideologies that provide outdated support for existing social arrangement

Ideology and utopia : an introduction to the sociology of ...
Ideology and Utopia, have often been treated as marking a turning point in the unfolding of scholarship in the field. 2 As recently as in 1995, it was suggested that "it is still impos-sible to think critically about the sociology of knowledge without re flecting on Ideology and Utopia " (Kettler and Meja 3). It has also
