Tennis Ace by WOTB - itch.io

In tennis, an ace is a legal serve that is not touched by the receiver, winning the point. In professional tennis, aces are generally seen on a player's first serve, where the server can strike the ball with maximum force and take more chances with ball placement, such as the far corners of the service box.

Tennis Ace - A free Sports Game - miniclip.com

Tennis Ace is a visual novel following in the more traditional Japanese VN mold, with a lengthier prologue, a higher focus on characterization and anime-esque art.. In the game, you follow the life of an 18-year old boy who aspire to become a professional tennis player at the end of his senior year in high school.

LAZY, BUT FAMOUS? (Tennis Ace - Episode 1)

Context for Ace. Typically, a player will hit an ace on their first serve where the speed of the ball tends to be greater than a second serve. An ace often occurs when a player serves up the middle or out wide because it's harder for the receiving player to get their racquet on the ball.
