The Metropolitan Revolution : NPR
Across the US, cities and metropolitan areas are facing huge economic and competitive challenges that Washington won't, or can't, solve. The good news is that networks of metropolitan leaders - mayors, business and labor leaders, educators, and philanthropists - are stepping up and powering the nation forward.

The Metropolitan Revolution | Columbia University Press
In the face of "federal gridlock, economic stagnation and fiscal turmoil," cities and metropolitan areas across the country are tackling the pressing problems that Washington won't, says Jennifer Bradley, a fellow at the Brookings Institute Metropolitan Policy Program. Her new book The Metropolitan Revolution (with Brookings colleague Bruce Katz) is about cities that are instigating ...

The Metropolitan Revolution: The Rise of Post-Urban ...
When the United States first became a sovereign country in 1776, Philadelphia was its most populous city. By the time the first U.S. census count was completed in 1790, New York City had already grown to be 14% more populous than Philadelphia (though Philadelphia still had the larger metropolitan population in 1790). Note that, in 1790, New York City consisted solely of Manhattan, and that ...
