Your first grader and math under the Common Core Standards

The first part is decoding, which is a skill. The second part is comprehension, which depends almost entirely on vocabulary and background knowledge—you need to know all the words. But, critically, you also need to know the things to which those words refer. And comprehension is most certainly not a skill.

often are spelled different than how they sound and children must recognize them by sight.

Things Your Child Should Know Before Entering First Grade

'What your first grader needs to know' is by far the best book that I have purchased for homeschooling. I believe it's a must have for every homeschooling family wondering if they are covering what they should. Along with non-homeschooling families curious if their child is where he or she should be at in the school system.
